The sponsoring dealership has the right to terminate a Chapter membership should his/her conduct does meet the dealership's standards or vision. The sponsoring dealership has the right to refuse local Chapter membership applications.

H.O.G.[®] MEMBERSHIP

LOCAL CHAPTER ENROLLMENT

The following membership guidelines apply to all local Chapters:

- Only use the *Chapter Membership Enrollment Form and Release* found in the Chapter Officer section of members.hog.com.
- A new *Chapter Membership Enrollment Form and Release* must be completed each calendar year.
- Maximum Chapter dues are \$36.00 per year.
- A separate Chapter membership application form is needed for each member, whether rider or passenger.
- Only current H.O.G.[®] members may join a local Chapter.

There are several ways to verify H.O.G.[®] membership:

- Examine member's current H.O.G.[®] card.
- Have the person join H.O.G.
- Look up on the Chapter Officer section on members.hog.com.

NOTE: Keep H.O.G. informed as your Chapter changes. Let us know of a change online in the Chapter Officer section of members.hog.com. Once you add a member to your report, they remain on your report until you remove them. Changes to your Chapter Membership Report can only be made by the primary officers or the Membership officer.

A FORM WITH A FUNCTION

Since officers generally change on an annual basis, and because sometimes the *Chapter Handbook* may not get read completely, "Form with a Function" should be addressed to help everyone understand.

The forms we're referencing are:

1. *Chapter Membership Enrollment and Release* form
2. *Chapter Event Release* form for ADULTS
3. *Chapter Event Release* form for MINORS
4. *Minor's Assumption of Risk Acknowledgement*

These are legal documents. All of them. We realize they're boring, and could be made prettier or remotely more interesting by oh, let's see ... changing the font, adding H.O.G.[®] logos, and making the Chapter name BIG and everything else. There are plenty of ways to change the forms, and we've seen them all - **but none of these changes can be made.**

As legal documents, the various release forms have passed a number of reviews - and a few lawyers - on their way to the *Chapter Handbook*. And as with any legal document, to be effective it must remain in its original form. The only change allowed is to fill in the Chapter name at the top prior to copying and distributing it to members for their signature. Other modifications cannot be made.

The question of whether or not the form can be changed arises most often on the *Chapter Membership Enrollment Form and Release*. "Can we add the member's birthday?" "Can we put a spot for "new" or "renewing" member?" "Can we add what kind of bike they ride?" "Can we add the H.O.G. logo and our Chapter chevron on the top?" Unfortunately, the answer to all of these questions is, "no." If you need answers to these questions, or want to collect information other than what appears on the release form, you simply have to use another piece of paper.

The release form has been laid out to ensure the reader understands what they are reading, why they are reading it, and what they are agreeing to by signing. The content and layout follow generally accepted legal principles for waiver forms. Likewise, the wording on the form is standard size with emphasis (both bold and capitalized) placed on specific words that the reader needs to understand are of greater importance. Changing the font by either adding or deleting that emphasis removes the reader's ability to zero in on that importance.

Another temptation to avoid is to add something such as a personal questionnaire or Chapter survey to the blank side on the back. While it might be considered wasted space, once again we cannot alter a legal document - even on the back. As it stands now, the reader can see that the form visually carries a lot of weight. By adding a survey or questionnaire, the reader might wonder how important the release form really is when also asked for their birthday or where they want to ride.

THE BOTTOM LINE

The *Chapter Membership Enrollment Form and Release* is the number one document you have, to protect the Chapter in the case of an accident during a Chapter event. It's a simple, straightforward, and easy-to-understand contract between the member and the Chapter. Its sole purpose is to document that the member understands the reason for the release, the risks of operating a motorcycle, and that they will hold the Chapter harmless should an incident arise in the course of a Chapter function. That's it. By keeping the release form in its original and proper format, we ensure that we both inform our members, and protect our Chapter and the volunteers who lead it.

ACTIVITIES & EVENTS

Many Chapters enjoy getting together for a little friendly competition. The events and activities described in this section are approved and covered by the H.O.G.[®] Chapter Insurance Program as closed events.

TIPS FOR VOLUNTEER MANAGEMENT

Volunteers are the backbone of H.O.G.[®] Chapters. As a Chapter officer, H.O.G. looks to you to manage the business of running a Chapter. You, in turn, look to Chapter member volunteers to help you create the atmosphere and conduct the activities that make Chapter membership a worthwhile experience.

The following common sense ideas are meant to help you recruit, manage and cultivate dedicated Chapter volunteers.

ORGANIZE

Before you ask others to help, know what help you need. Create a list of volunteer positions required to staff a certain activity. Include any special skills or talents the positions might require, and the amount of time you're asking a person to commit. Communicate this information to prospective volunteers.

- Ask Chapter members if they would consider volunteering to help with Chapter events. Find out members' special talents, interests, areas of expertise and hobbies. Then, don't ignore the information you gather - use it!
- Respond in a timely manner to offers of assistance. Nothing kills the urge to volunteer more than ignoring an offer of help.
- Set up a network of communication for volunteers.
- Put the right person in charge of volunteer recruitment - a motivator, an organizer, a "people" person.
- Use volunteer sign-up sheets at Chapter meetings and at other Chapter activities.

COMMUNICATE

Develop a "team" attitude - let volunteers know they're a vital part of the team and essential to the activity's success.

- Make volunteers a part of the evaluation process at the completion of the activity.
- Make volunteers a part of the planning process.
- Communicate activities as far in advance as possible.
- Help volunteers understand why they're being asked to do something in a certain way and be ready to change your mind if they have a better way! The major difference between a "dictator" and a "delegator" is communication.

ACTIVITIES & EVENTS

TIPS FOR VOLUNTEER MANAGEMENT *(cont'd)*

EDUCATE

Let volunteers know exactly what's expected of them, including how much of their time you're requesting, specific responsibilities and any qualifications needed to do the job.

- Put volunteer responsibilities and instructions in writing for a quick "on the job" reference. This also helps to ensure that everyone involved understands what's expected of them.
- Give volunteers a specific person to whom they can go with questions.
- Develop volunteer "mentors" - be sure to match experienced volunteers with rookies, when possible. One of the fastest ways to learn something is by working alongside someone with experience. This approach is great for new members who may want to help out, but haven't yet developed friendships within the Chapter and are reluctant to volunteer. It's also more fun!

ENJOY

Put the right people in the right jobs and try to match people's talents and interests with the tasks you're asking them to do - but don't assume that someone who does bookkeeping eight hours a day also wants to do bookkeeping in his or her free time!

- Give people the opportunity to try new things and broaden their horizons. Just because someone "always" judges a bike show doesn't mean they wouldn't like to try something else.
- Accentuate the positive aspects of being a volunteer - new friendships, a sense of accomplishment, personal development, being a part of a team. Don't badger people into volunteering!
- Don't take things too seriously - a sense of humor is a must!
- Have a special "after the event get-together" for all those who volunteered.
- Make work "shifts" reasonable - about two to three hours. Plan for more volunteers to work shorter hours. People will be more willing to help out if they know they'll also have time to participate in the activity.

REWARD

Remember to say, "Thank you," for every offer of assistance you receive. Most people want to feel needed and appreciated.

- Concentrate on praising those who do volunteer, not on degrading those who are unwilling or unable to help out. There will always be those who want to attend an activity, not work it. That's okay.
- Recognize volunteers in a manner that fits for your Chapter - in newsletters or meetings, with small gifts of appreciation, certificates of accomplishment, thank you cards or a volunteer party where volunteers get to sit back and be served!
- Let volunteers accumulate points for each activity they work and at year-end, give various gifts according to points earned.
- Sometimes the best reward is a well-earned rest! Don't expect one person to volunteer for every single Chapter activity.

ACTIVITIES & EVENTS

INSURANCE COVERAGE

Before you undertake a Chapter event or activity, be sure you have the necessary insurance to cover all aspects of the event. The H.O.G.® Chapter General Liability Insurance policy is meant to cover “typical” Chapter activities where the guests are local Chapter or H.O.G.® members. Since we all may have a different definition of “typical,” it’s important to follow the guidelines listed here.

- Carefully read through the insurance section of this handbook.
- Check the *Schedule of Pre-Approved Chapter Activities* (the field events in this handbook are pre-approved)
- Check the list of “Excluded Activities” (these are definitely not covered under the policy)
- If your event/activity is not on the *Schedule of Pre-Approved Chapter Activities*, or if you have ANY doubts as to what might be covered, call Harley-Davidson® Insurance at 1-888-690-5600.
- Abide by the release form guidelines as described in the insurance section.
- Be familiar with all legal and financial guidelines as covered in the “Chapter Business” section of this handbook
- See “Event Production Policy” section on the following pages.

NOTE: Even if your event or activity is not included on the *Schedule of Pre-Approved Chapter Activities*, you may be able to obtain coverage through Harley-Davidson Insurance (HDI). HDI will determine whether your activity/event can be added to the *Schedule of Pre-Approved Chapter Activities* (at no additional cost to you), whether your activity/event can be covered with additional insurance (for which you’ll pay an additional premium), or whether your activity/event cannot be covered through HDI.

ACTIVITIES & EVENTS

EVENT PRODUCTION POLICY

NO CO-PRODUCED EVENTS

Rule of Thumb - one event = one producer.

For clear lines of responsibility, control and insurability, don't hold co-produced events.

EVENT FLYER CONTENT

Let the world (and the insurance company) know who is running the show, by designing your flyers properly. The sample event flyer below, shows the correct way to put together a promotional piece for your event.

Top:

Producing Chapter takes the top line and doesn't share it.

- Single producer only!
- Include H.O.G.[®] logo along with Chapter chevron (not H-D), if desired.

Middle:

List event facts in a straightforward manner:

- Who?
- What?
- When?
- Why?

LOGO USE

Rule of Thumb = do it right or not at all.

Use of H.O.G.® logos is a benefit provided by H.O.G. to local Chapters. The logo is a valuable and positive symbol of our organization and all H.O.G.® Chapters need to do their part to protect this legacy.

Here's how you can do your part:

- The *Annual Charter* gives you the right to use the logo on Chapter publications, if sponsoring dealership approves.
- Use only the official H.O.G. logos found in this Handbook.
- Use the logo as is; do not alter it in any way (such as adding text or combining with other graphics).
- Always accompany the logo with the official Chapter name. Your Chapter name should be inserted into the chevron shape of the logo version shown below.

- Get approval from H.O.G. if you want to use the logo on anything other than publications (like t-shirts and pins) and use authorized agents to produce those items.

ACTIVITIES & EVENTS

RUNNING AN EVENT

SAFETY

Participant and spectator safety must always be the top priority at any event.

- The event area should be cordoned off to prevent access to anyone but event personnel and participants.
- Events may NOT restrict drivers' ability to safely operate their motorcycle in any way.
- Conduct events on surfaces conducive to safe riding (avoid slippery surfaces, gravel and mud).

GENERAL

Participants at H.O.G.® events must compete on a Harley-Davidson® motorcycle.

- Have release forms on hand for non-Chapter members to sign.
- Equipment and supplies will vary depending on which events are chosen.
- A designated area may be set up where the participants can fill out the *Field Events/Games Registration* form. If you don't want to have formal registration, simply ask everyone who wants to participate to line up. After each event/game is completed, have an assigned Chapter volunteer write down the name and address of the winners to ensure that they receive the appropriate award.
- Make sure all rules are explained in detail before any event gets started. It is a good idea to have the rules printed and available so the participants may read them when signing up,
- A public address system should be available.
- To ensure safe events, spectators must not have access to the activity area.

ACTIVITIES & EVENTS

OBSERVATION RUN/SELF-GUIDED TOUR

Observation Runs and Self-Guided Tours are excellent ways to get your Chapter members out on their Harleys and enjoying the countryside. You can design runs and tours of various lengths to accommodate the different riding styles of your Chapter members. In general, Observation Runs are designed as a kind of “scavenger hunt” where participants receive a series of questions about the landmarks and signs along the route. Their answers are judged at the end of the ride. Self-Guided Tours are just that, a predetermined route through a scenic area that riders can complete at their own pace.

SUPPLIES

- Route and maps
- Questions/Quiz
- VERIFICATION of routes, maps, questions and quiz
- Tally sheets to determine winners (if applicable)

SUGGESTIONS - Observation Run

- Start/finish should be the same.
- The route should run past landmarks for easily recognizable signs that are safely and easily seen without causing a traffic hazard.
- Include a list of questions about the landmarks or signs along the route. There should be a minimum of 10 and a maximum of 25 questions.
- The mileage from point-to-point should accompany these questions.
- The route should not exceed 80 miles.

SUGGESTIONS - Self-Guided Tour

- The start and finish line should be the same.
- Tour should not exceed 100 miles.
- Stops should be noted by name and clearly marked as to location (i.e., side of the street, mileage from start, etc.).

ACTIVITIES & EVENTS

SLOW RIDE

The Slow Ride is a challenging test of the participants' balance and control over their Harley-Davidson® motorcycle. The object is to finish the designated course, in the most time, without putting your feet on the ground or running over boundary lines. Men and women can both take part in the same Slow Ride heats, or the Ladies of Harley® can run their own heats.

SUPPLIES

- Lane marking equipment (chalk, tape, etc.)

SET-UP

- Mark off 10 lanes. Each should be 4 feet wide and 50 feet long.
- Assign one (1) judge to each lane.
- If there are enough participants, run separate heats for each class of bike. XLs, FXs and FLs run off separately. The winners from each of those heats will then run off against one another to determine the overall first, second and third-place winners.

RULES

- Participants line up at the beginning of every other lane. Leave an empty lane between each participant as a safety precaution.
- Start as soon as signaled.
- Keep your feet up. If you put your foot down, stop exactly where you are.
- Stay within the lines. If your wheel touches the line, you're disqualified. Stop exactly where you are.
- You must cross the finish line, without fault, to win.

ACTIVITIES & EVENTS

CIRCULAR SLOW RIDE

SUPPLIES

- Tape measure
 - Stop watch
 - Stake (for the center of the circle)
 - String (to scribe the circle with)
 - Lane marking equipment (chalk, tape, etc.)
 - Hay bales
 - **Volunteers:** two (2) spotters per lane, one (1) starter/judge
- Additional volunteers to guide motorcycles into and out of the activity area.

SET-UP

- Lay out three or four circular lanes as shown, each lane having an inside radius of 6 feet and outside radius of 10 feet. The size of the circular lanes may be varied but keep in mind the turning radius of the various Harley-Davidson® models. Riding area width of the lanes should be approximately 4 feet.
- Separate the circles with hay bales placed between the lanes, as shown.
- Mark a start/finish line in each lane.
- Spectators and waiting participants MAY NOT sit on, stand next to, or park next to the hay bales separating the lanes. The hay bales and the area between the participant lanes and the hay bales must remain clear.
- One (1) lane spotter monitors the start/finish line for their assigned lane to insure that the participant lifts their feet and begins the ride at the start signal, and also monitors whether the motorcycle crosses the lane markings on either side of the lane during the ride.
- One (1) lane spotter walks behind the participants' motorcycle (approximately 3 feet) to assist in keeping the motorcycle upright should the participant lose their balance and the motorcycle began to fall over, and also monitors whether the motorcycle crosses the lane markings on either side of the lane during the ride.
- The starter/judge gives the "go" signal to begin the race and watches for the first lane judge to signal successful completion of Circular Slow Ride.
- Spectators and participants are not allowed to stand or sit on the hay bales, or park next to the hay bales separating the participant lanes.

ACTIVITIES & EVENTS

CIRCULAR SLOW RIDE *(cont'd)*

RULES

- All participants ride in a counter-clockwise direction.
- Everyone starts when signaled. If someone doesn't start at the signal, it's a false start and the ride is re-started.
- The last participant to cross the finish line without being disqualified is the winner.
- Participant must keep their feet up. If the participant puts a foot down, they stop where they are.
- If a tire touches a lane marker on either side of the lane, participant stops where they are.
- Participant must cross the finish line to win. For example, four participants are doing the slow ride and three are disqualified for putting their foot down. If the fourth participant turns out of their lane and rides away, they would also be disqualified because they didn't cross the finish line before they crossed a lane marker.
- The judge resolves all disputes. **The judge's decision is final.**

ACTIVITIES & EVENTS

SLOW RIDE VARIATIONS

TWO-UP SLOW RIDE

This is set-up and run the same as the Slow Ride only there is both a rider and a passenger on each motorcycle. Passenger must remain seated on the passenger seat of the motorcycle in a forward position, with their feet on the passenger foot pegs throughout the ride. Same rules apply to the passenger putting their foot down as the rider. Same rules for set-up and judging are used as in the Slow Ride.

ROAD KILL SLOW RIDE

- Same supplies used to set-up the Slow Ride.
- Flat paper cut-outs of animals. 9-inch cutouts work pretty well. Cut-outs must be such that they don't interfere with riding if run over.
- Lay out the lanes the same as for the Slow Ride.
- Place two (2) or three (3) paper animal cut-outs in each lane.
- Spectators and participants are not allowed to stand, sit or park near the participant lane.
- Rules and judging are the same as for the Slow Ride.
- Objective is to miss the "road kill" and have the slowest time.
- If a tire hits one of the paper "road kill" animals, the rider is disqualified. A variation may be to subtract a five second penalty from the rider's time for each tire hit on a "road kill."

ACTIVITIES & EVENTS

- One (1) spotter counts the number of "road kill" in the net.
- The judge keeps track of the number of stuffed animal "road kill" each participant scoops up with the fishing net and remains in the net until the ride is completed.
- Spectators and participants are not allowed to stand, sit or park near the participant lane.

- Rider starts when ready.
- The team who picks up the most "road kill" and crosses the finish line without being disqualified is the winner.
- Both members of the participant team must keep their feet up. If either participant puts a foot down, the team is disqualified and no credit given for "road kill" picked up.
- If a tire touches a lane marker on either side of the lane, the team is disqualified and no credit given for "road kill" picked up.
- To receive credit, the team must successfully complete the ride and the "road kill" must be inside the net prior to the motorcycle crossing the finish line.
- Team's motorcycle must cross the finish line to receive credit for "road kill" picked up.

ACTIVITIES & EVENTS

POKER RUN

Poker Runs are a fun way to get riders on the road and possibly raise a little money for charity. Poker Runs take a little planning and require a number of people to act as staff. They're an exciting way to see the area, socialize with your friends and maybe even win a little money (or a prize)!

NOTE: *In most states, Poker Runs are considered gaming and highly regulated by state law. Please refer to "Raffles, Prizes and Poker Runs" on page 60 in the Chapter Business section.*

SUPPLIES

- Sign-up sheets (if applicable)
- Copies of the route and maps for each participant
- A supply of pens and pencils for volunteer workers
- Decks of cards
- *Poker Hand Tally Sheets*
- Cash box for money from purchase of extra cards/hands
- *Book of Hoyle* (Poker Rules)

SET-UP

- Participants should note that they are traveling on public highways and you, as an event host, are not responsible for their design or maintenance. Remind participants that they are responsible for their own safety when using public roads and should ride accordingly.
- Route should have five stops; the first and last should be at the event site.
- Run should be between 30 and 70 miles and take no more than three hours to complete.
- Stops should be at convenient areas with plenty of parking. Traffic conditions should also be considered. If using private property as a stop, make sure you have the permission of the owners. Areas with access from the right side of the road should be a priority.
- Stops should not be scheduled at a site or business where alcoholic beverages are the primary service.
- Availability of non-alcoholic refreshments and rest rooms should be ensured.
- Provide ample signage for sign-up and stops along the route.

RULES

- The rules should be precise and in writing on the *Poker Hand Tally Sheet* provided to each participant.

ACTIVITIES & EVENTS

POKER RUN *(cont'd)*

VERIFICATION

- Double and triple-check the route and maps. It's also a good idea to have someone unfamiliar with the area ride the entire route to ensure the map is correct and understandable. Delay printing as long as possible to verify that the route is passable. The route should then be ridden the day before the event to make sure there are no surprises such as construction or road closings.

STAFFING STOPS

- If the event site is used as the first and last stop, only three additional stops need to be staffed. Ideally, the stops should be staffed by businesses in exchange for your rally's patronage.
- If your stops are being staffed by the businesses along your route, you should stop by each stop one day before the event to drop off a tally sheet, instructions and signs. Be sure the staff knows what's expected of them and where the rules are printed on the tally sheet.

CALCULATING THE WINNING HAND

- Have the *Book of Hoyle* on hand to help you determine the winning hand.

EXTRA HANDS

- Allowing participants to purchase extra cards is an added source of income because you don't need to purchase any additional supplies. You can either allow participants to choose up to two additional cards or a set fee per card or let them pick an extra hand for another fee.

ACTIVITIES & EVENTS

POKER RUN VARIATIONS

VARIATION 1

- Use six (6) different colored marbles instead of playing cards.
- Pre-assign a point value to each marble color.
- Place marbles in a bag. Participants draw one marble per stop.
- Person staffing the marble run stop records marble color drawn and stamps entry form.
- The participant with most points at end of Marble Run wins!
- In case of a tie, reassign new values to each marble color and redraw three (3) new marbles.

VARIATION 2

- Roll two (2) dice at each stop instead of picking playing cards.
- Participant gets to choose which of the two dice values to keep.

ACTIVITIES & EVENTS

HOG IN THE PEN

Hog in the Pen is a slow race with a new twist. One person rides a Harley as slowly as possible in order to give a partner, who's standing nearby, enough time to toss toy stuffed hogs (or pigs!) into a pen. Whoever gets the most hogs into the pen before the rider puts a foot down, crosses a lane, or gets to the finish line wins.

SUPPLIES

- A quantity of small stuffed toy hogs (at least 12)
- Three (3) large (plastic) garbage cans with covers (the pen)

SET-UP

- Mark off two lanes. Each lane should be 4 feet wide and 35 feet long (or reuse two of the 50-foot Slow Ride lanes).
- Leave a space of 10 feet between each lane as a safety precaution (if reusing Slow Ride lanes, leave at least one empty lane between riders).
- Assign one (1) judge to each lane.
- Assign a finish-line judge to each lane. The finish-line judge should be able to see both the rider and the tosser in order to tell the tosser when to stop.
- If there are enough participants, run separate heats for each class of bike, as in the Slow Ride. The winners from each of those heats will then run off against one another to determine the overall first-, second - and third place winners.
- In a safe place near the finish line, out of the way of the riders, mark a "tossing line" at least 10 feet from the garbage can. The further away the tossers are from the garbage can, the harder it gets.
- Pile the hogs at the tossing line.
- Assign one (1) person to each garbage can to count/collect/return the hogs.

RULES

- Each participant may compete only as a member of one rider/tosser team, and only as rider or tosser (if there are separate heats).
- Riders line up at the beginning of every other lane. Leave an empty lane between each participant as a safety precaution.
- Start as soon as the signal is given.
- Keep your feet up (rider). If you put your foot down, stop exactly where you are.
- Stay within the lines. If your wheel touches the line, stop.
- Throw only one hog at a time (tossers)
- Stop tossing hogs as soon as the rider puts a foot down or the front tire touches a lane marker or touches the finish line.

ACTIVITIES & EVENTS

HARLEY® HOOPS

Harley® Hoops is a “loopy” event that tests a rider’s motorcycle control and a passenger’s finesse with a foam jousting spear. While the rider keeps a steady pace down the lane, the passenger tries to spear as many Frisbee rings as possible. The team with the most rings (hoops) still on the spear when the rider crosses the finish line wins.

SUPPLIES

- Six (6) Frisbee rings
- Six (6) PVC pipes with slot at top end to hold a Frisbee ring - final height, 4 feet
- Six (6) bases for the PVC pipes
- One (1) 6-foot foam “spear” (a swimming pool toy - check with a pool supply or toy store.) Do not use anything that is not completely soft and pliable. Do not use anything that could present a safety hazard.

SET-UP

- Mark off a white boundary line 50 feet long.
- Set six (6) PVC or plastic pipes in a standing position, 2 feet from the white boundary line (the farther back from the line you set the pipes, the harder it becomes). Slot the top end of the PVC pipe to hold a Frisbee ring. The Frisbee should easily fall off the pipe if touched (you don’t want people getting their spears caught!).
- Set these Frisbee holders 8 feet apart in a single row down the right-hand side of the 50-foot lane on the white lane marker
- Place the Frisbee in the holder so that the Frisbee edge faces the lane and the hole in the Frisbee faces the start/finish lines.

CHAPTER BUSINESS

Purchasing, incorporation, paying taxes, protecting trademarks, Chapter mailing lists, etc., are not the first things that come to mind when thinking about riding a Harley® motorcycle. The Harley Owners Group has provided programs in order to help you conduct safe, fun, motorcycling activities and to make running the business of the Chapter a little easier.

TRADEMARKS

The use of H.O.G.® logos is one of the benefits H.O.G.® motorcycle club provides local Chapters. Harley-Davidson, H.O.G., local Chapters and sponsoring dealers have all worked hard to maintain a positive image of Harley-Davidson, H.O.G.® and H.O.G.® members. The proper use of Harley-Davidson's logos and trademarks is one way of maintaining that positive image.

The trademarks H.O.G., HOG, Harley Owners Group, Ladies of Harley, LOH and the following H.O.G. logos (the "H.O.G. trademarks") are among the many trademarks of H-D U.S.A., LLC. Trademarks may not be altered in any way and cannot be used in combination with any other words or graphics.

TRADEMARKS *(cont'd)*

- H.O.G.® trademarks must be used in conjunction with the official Chapter name and only on publications relating to Chapter activities.
- Chapters must receive approval from H.O.G. prior to use of the trademarks for anything except publications.
- T-shirts, pins and all other items are only to be produced by authorized licensees of Harley-Davidson Motor Company and shall likewise be subject to prior approval by H.O.G.
- Use of the H.O.G. trademarks may continue only as long as the *Annual Charter for H.O.G. Chapters* is in effect between H.O.G. and the chartered Chapter, and the Chapter acts in accordance with the Annual Charter and H.O.G. Operating Policies.

NOTE: *H.O.G. may, at its sole discretion, terminate the right to use the H.O.G. trademarks at any time upon thirty (30) days' notice in writing, and the Chapter will immediately terminate all use of the marks when the notice becomes effective.*

CHAPTER MAILING LISTS

Harley-Davidson Motorcycle Company and The Harley Owners Group® go to great lengths to protect the names and addresses of H.O.G.® members. They do not sell or distribute member lists to third parties. The Chapter membership and mailing lists are the property of Harley-Davidson Motorcycle Company. The lists are also confidential. They should not be used for any purpose not connected with Chapter business without the express written consent of Harley-Davidson Motorcycle Company. If you are ever approached or solicited to provide the Chapter mailing list for any reason other than Chapter business the answer should always be, "No!" This applies to everyone: local businesses, companies, charities, Chapter members, non-Chapter members and other organizations.

Once you provide a Chapter membership list to anyone, you lose control of it. As a Chapter officer, you are trusted to protect and maintain the ownership and confidentiality of the Chapter membership and mailing lists.

OFFICER/SECONDARY CHAPTER MAILING ADDRESS CHANGE FORM

During the course of the year, your Chapter may experience some officer turnover. When an officer changes or address changes, H.O.G.® needs to have current mailing information on hand. The *Officer/Secondary Chapter Mailing Address Change* form was designed to help you keep H.O.G.® current.

CHAPTER OFFICER SECTION ON *members.hog.com*

The Chapter Officer section allows you to verify National H.O.G.® members, update your *H.O.G.® Chapter Membership Report*, view *Chapter Officer News*, learn about effective meetings, and download logos, forms and articles for your Chapter newsletter.

To access the Chapter Officer sections, visit members.hog.com and log on. This requires you to create your own log-on ID and password. Once inside the members only section, a "Chapter officer" tab will appear at the top of the screen.

This tab will only appear if you have been reported to H.O.G. as a designated officer on the annual *H.O.G.® Chapter Charter Application* or an officer change form. Clicking on the "Chapter officer" tab will take you into this section. Select an option on the left side of the screen and follow the directions. As more functions become available, you will be notified via *Chapter Officer News*.

All officers listed in our system have access to this section. Although all officers can view your Chapter's membership list, only the Membership officer, the primary officers (Director, Assistant Director, Secretary and Treasurer), the sponsoring dealer, and the Chapter Manager have the ability to make changes to the *H.O.G.® Chapter Membership Report*.

GUIDELINES

- All artwork must be approved by H.O.G.
- The official Chapter name must be included in any custom artwork.
- One of the registered H.O.G.® trademarks must make up at least 25% of each piece of artwork submitted. The registered trademarks are: Eagle/banner, Ladies of Harley, LOH, H-Wheel-G, H.O.G., HOG or Harley Owners Group in script.
- We cannot approve combinations that include both H.O.G.® and Harley-Davidson® logos.

ARTWORK COMBINATIONS

The following combinations are allowed:

ORDERING PROCEDURES

These ordering procedures should be used when ordering T-shirts:

- T-shirt orders must be placed through the sponsoring dealer.
- The only authorized source for the production of H.O.G.® Chapter shirts is [norscot.com](#).

CHAPTER BUSINESS

CHAPTER INCORPORATION

Incorporation is an option for a H.O.G.[®] Chapter. Meet with your sponsoring dealership to determine if incorporation is desired or right for the Chapter and the dealership. H.O.G. offers a sample incorporation package to assist your incorporator. Please contact H.O.G. for further information.

CHAPTER FINANCES

One of the duties of a Chapter officer is to manage and protect the financial resources entrusted by the membership. In most Chapters, the Director and Treasurer have joint responsibility for safeguarding Chapter assets. This section contains information that will help you carry out your financial responsibilities for the Chapter.

BOOKS AND RECORDS

We all maintain some sort of books and records. It might be a simple maintenance schedule for our Harley-Davidson[®] motorcycle or an elaborate set of double-entry accounting records for a large business.

WHY MAINTAIN RECORDS?

- There is an obligation to document how the Chapter money was spent.
- There is a responsibility to the sponsoring dealer to account for all Chapter funds.
- There is a legal requirement to maintain financial records for Federal, state and local revenue offices

WHAT KIND OF RECORDS SHOULD WE KEEP?

- Records that clearly identify the kind, source and amount of all funds received by the Chapter.
- Records that clearly identify how Chapter funds were spent.
- Records can be either manual or computerized.

HOW LONG SHOULD WE KEEP OUR RECORDS?

- For liability purposes, financial records should be kept for a period of seven years.
- Chapter records shall be maintained at the sponsoring dealership.

NOTE: All records and documents pertaining to Chapter finances belong to the sponsoring dealership and must be handled in a way that insures they will be available to future Chapter officers.

FINANCIAL PREVENTIVE MAINTENANCE

Consider one or more of the following internal controls:

- Require two signatures on each check written from Chapter funds.
- Have the bank statements mailed to someone other than the person responsible for making deposits and writing checks. For example, the statements could be mailed to the Director, who would review the statement and then pass it on to the Treasurer for reconciling the Chapter financial records to the bank statement.
- On a regular basis, review Chapter finances during an officer's meeting. This keeps everyone informed as to where the money is coming from, how it's being spent and the amount on hand.
- Conduct an audit of Chapter finances on a random basis, at least every two to three years. The goal of such an audit is simply to prove the accuracy of Chapter financial records. Remember, financial preventive maintenance is never a matter of trust . . . it's just good business. We want it to be effective enough to do the job, yet simple enough to not cause bottlenecks in the conduct of Chapter business.

INCOME, EXPENSES AND TAXES

It is beyond the scope of any single document to list all possible items of income and expense that your Chapter might encounter. For proper reporting guidance, seek the advice of the sponsoring dealership in conjunction with a Certified Public Accountant or a Public Accountant. In addition, the Internal Revenue Service and State Tax Offices provide free help to taxpayers.

CHAPTER BUSINESS

CHARITIES

There is no requirement that a H.O.G.[®] Chapter have any involvement in charities. If a Chapter does opt to participate in charitable activities, some specific techniques will go a long way to making the procedure go much more smoothly.

Make sure you are working with a legitimate organization.

A recognized charity will either be a governmental entity (volunteer fire department, search and rescue squad, etc.), part of a national organization such as MDA, American Cancer Society, etc., or be able to show that they have been recognized by the Internal Revenue Service as a 501(C)(3) organization.

Share the responsibilities.

The charity should be willing to do more than simply say "Mail us the check." The charity might provide volunteers, supplies and equipment for the event. Representatives from the charity should be on location to handle the funds.

Avoid tax issues.

Utilize the *Letter of Agreement* to transfer all accounting and tax responsibilities to the charity. Never deposit the funds into the Chapter bank account. Once you do that, the character of the money changes from a charitable fund raiser to that of Chapter taxable income.

Do adequate follow-up. Make sure all the event expenses get paid prior to donation. Did the charity properly thank the Chapter? Most important of all, did the event support the "Ride and Have Fun" goals of the Chapter?

CHAPTER BUSINESS

CHARITIES (cont'd)

FREQUENTLY ASKED QUESTIONS

"Our Chapter would like to do a fundraiser. We plan on depositing the proceeds into our Chapter bank account, pay the expenses and then write a check to the charity. Is this a good idea?"

Answer: No. The problem is that in the eyes of the federal and state government, once you deposit that money into your Chapter bank account, it "belongs" to the Chapter and represents taxable income. Again, the best practice is to have the charity handle all funds in accordance with the *Letter of Agreement*.

"We usually select one charity to support during the entire year. We do several fundraising events during the year. It isn't practical to have the charity be present at every one of them. How can we do this and still avoid tax problems?"

Answer: Visit with the charity and let them know what your potential issues are. In many instances, the charity will open a bank account in their name and appoint a member of the chapter as their "representative" on that account. The monies generated from fundraisers are simply deposited to that account, appropriate expenses are paid from the account and the remaining balance reverts to the charity at the end of the year.

"We keep hearing that we should avoid depositing the "charitable" funds into the Chapter bank account. Specifically, what is the problems with this? As an example, what if a Chapter brings in \$1,000 during the year, spends that entire \$1,000 on legitimate Chapter expenses, then raises another \$1,500 for charity, deposits it into the Chapter bank account and immediately writes a \$1,500 check to give it all to charity. Seems like it's all a wash. What's the issue?"

Answer: Great question.

Here is how the tax authorities look at the whole situation.

Chapter Income from Operations	\$ 1,000
Add: Charitable Funds Deposited:	\$ 1,500
Equals - Gross Income:	\$ 2,500
Less - Chapter Expenses:	(\$ 1,000)
Equals - Taxable Income	\$ 1,500
Deduction for Charity*	(\$ 150)
Equals - Final Taxable Income	\$1,350
Federal Income Tax - 15%	\$ 202.50

**Deduction for charitable donations limited to 10% of taxable income as computed before any deductions for charitable contributions.*

As can be seen, in the above example, we have a Chapter that owes \$202.50 in federal income tax, even though their bank account has been brought to a zero balance through a \$1,500 donation to charity.

"How do we handle something simple, such as taking a collection for a needy local family or an injured Chapter member?"

Answer: Do the old "pass the hat" number and simply give the cash to the intended recipient. There are no tax issues involved.

NOTE: In summary, involvement in charitable endeavors is a chapter decision, carrying with it the need to seriously consider the impact on members, finances and most of all... our goal to "Ride and Have Fun."

LETTER OF AGREEMENT

The *Letter of Agreement* is a guideline the Chapter can use when conducting a charity fund-raising activity. Using this letter will help to ensure that all parties involved are aware of and agree to their given financial and insurance responsibilities. It may not be possible to obtain agreement on all of the points contained in the letter. Your concern should be that all points are covered, and if you cannot obtain an agreement satisfactory to you on the points recited, find another charity to work with. Reduce the agreement that you reach with the charity to writing and have it signed. Be sure to keep one copy and give one copy to the charity's representative.

RAFFLES, PRIZES AND POKER RUNS

In most states, poker runs, raffles, and door prizes are considered gaming and strongly regulated by state law. Be aware that conducting gaming illegally can result in criminal and/or civil liabilities. If your Chapter decides to do these types of fund raisers, you need to be aware of the following information.

BEFORE YOU CONDUCT ANY GAMING ACTIVITY

- Know and understand your state and local laws.
- Comply with your state and local laws.
- Print a disclaimer on the raffle ticket stating that all federal, state and local taxes are the responsibility of the winner, and designate the location where winners should pick up their prize

IRS REPORTING REQUIREMENTS

Under certain circumstances, Information Returns are required by the Internal Revenue Service to report non-wage payments made by a business.

Payments made to a local band and prizes and are a few of the nonwage payments a Chapter may need to report. There are two forms to be particularly aware of - form *1099-MISC* and form *W-2G*.

RAFFLES, PRIZES AND POKER RUNS *(cont'd)*

IRS REPORTING REQUIREMENTS *(cont'd)*

WHEN TO FILE A FORM 1099-MISC

- When payments to an individual for rents or services total \$600 or more. For example, a Chapter member receives a \$700 door prize (a service), a couple is paid \$600 by the Chapter for use of their summer cabin (rent), or a band is paid \$650 to play at the annual Christmas Party (service). Payment to corporations and payments for merchandise do not require a form 1099.
- When payments to an individual for rents or services total \$600 or more *during a calendar year*. For example, a Chapter member receives a \$300 door prize in September, and a \$400 door prize the following January. A form 1099 is NOT required, since the payments didn't occur in the same calendar year.
- Chapter member receives a \$300 door prize (service) in September, and is paid \$300 for use of his/her truck (rent) in October of the same year. A form 1099 is NOT required since neither category - rents or services - totals \$600 or more.

TO FILE A FORM 1099-MISC, YOU NEED:

- The amount paid.
- The recipient's name and address.
- The recipient's Social Security Number - use a *W-9* to request a person's SSN.

NOTE: *If the Chapter is raffling off a prize (cash or merchandise) with a value of \$5,000 or more, there are some potentially expensive tax ramifications for the unwary. Contact your H.O.G.® Manager for assistance and information well in advance of the raffle.*

TAX STATUS

H.O.G.® Chapters are part of the sponsoring dealership, which is a for-profit business entity. As a result of the enactment of the *Tax Payer's Bill of Rights Act of 1996*, tax exempt status (charity) is not available to H.O.G. Chapters. Chapters should be seeking the advice of a Certified Public Accountant or Public Accountant as to tax filing requirements, whether or not incorporated.

CHAPTER INSURANCE PROGRAM

The Harley Owners Group provides comprehensive event and activity insurance coverage on closed member events without charge to H.O.G. Chapters. H.O.G. pays for the basic insurance coverage, which automatically covers any closed event or activity. Explanations of each form included in the *Chapter Insurance Program* follow, along with a completed sample. FORM - Chapter Membership Enrollment Form and Release

This release form must be signed by each Chapter member on an annual basis (January 1). Each new member must sign the Chapter enrollment/release when they join the Chapter and on an annual basis (January 1) thereafter.

The law treats minors differently than adults. Adults may sign an annual release form as contained in the *Chapter Membership Enrollment Form and Release*, only for themselves, not for their minor children. A minor who is a Chapter member must still have a parent or legal guardian sign the *Chapter Event Release Form for Minors* at each motorcycle-related activity the minor attends.

Depending upon the minor's age (12 or older) the minor may also be required to sign the *Minor's Assumption of Risk* form at each motorcycle-related activity the minor attends. Please reference the individual explanations of minor releases later in this section.

What's Wrong with Meetings	77
Being Productive.....	78

ANNUAL MEETING KIT

Some of the best things about the H.O.G.[®] motorcycle club are meeting new people, participating in exciting activities and, of course, riding your Harley-Davidson[®] motorcycle. Endless meetings and paperwork are not a lot of fun. That's why we've created this section. By holding one business meeting per year, with a little planning, your Chapter can collect all the information H.O.G. requires, prepare the forms in this section and be done with it for the year. You can also find tips on holding effective meetings in the Chapter Officer section of members.hog.com. That means less time spent on administration and paperwork, which leaves more time for ... just about anything!

THE ANNUAL BUSINESS MEETING

Some call it a directors meeting, a strategic planning session or even a stakeholders' conference. Whatever the title, the purpose is the same: to look critically at the Chapter, see where it is today and determine where we want it to go in the future.

The meeting should be a closed meeting, attended only by Chapter officers, the sponsoring dealer, and the Chapter Manager. The intent of holding a closed meeting is not to hide information from Chapter members, but to allow the officers to express themselves freely and accomplish the necessary business without any interruptions. At the annual meeting, Chapter officers, the sponsoring dealer, and Chapter Manager should take the time to clarify and reaffirm their understanding of one another's goals and expectations.

The topics covered during the meeting will be unique to each Chapter. However, the following topics should be on every Chapter's agenda:

- Financial Review. The goal of a H.O.G.[®] Chapter is to maximize the enjoyment of riding Harley-Davidson motorcycles, not to maximize the size of the Chapter bank account. Keep that fact in mind when reviewing Chapter finances.
- Establish a realistic emergency cash reserve. Your Chapter should keep the equivalent of about two months of expenses on hand in case of financial emergencies.
- The completion of all annual forms.
- Review the Chapter's payment history. Late payments due to insufficient cash are a cause for concern.

ANNUAL MEETING FORMS AND APPLICATIONS

There are several pieces of information that H.O.G.[®] requires of each local Chapter. Your Chapter can supply H.O.G.[®] with everything they need by completing and submitting the following form:

- *H.O.G.[®] Chapter Charter Application* (due December 31)

Any organization can reclaim 25 to 35 percent of wasted meeting time through a basic application of good meeting techniques.

MARKETING

Even the most well-planned Chapter events won't be much fun if no one shows up! This section is designed to help you publicize your Chapter activities, both locally with your Chapter publications, and the H.O.G.® members only web site, members.hog.com. These are some of the best tools you have to attract new members to your Chapter and spread the word about the fun and exciting activities organized by your H.O.G.® Chapter.

CHAPTER COMMUNICATIONS

A Chapter communication is the foundation of Chapter information exchange. It can be a permanent record of local Chapter events and also assist the Chapter Historian in tracking Chapter history.

Be sure to have your sponsoring dealer approve any Chapter communication - written, oral (broadcast) or electronic, before it is released. Approval is required. Keep a copy of all Chapter communications on file at the sponsoring dealership for a 12 month period.

GUIDELINES

Chapters must publish a minimum of four communications per year. Communications can consist of any printed material informing the membership of activities, postcards, flyers, multi-page publications, emails, or other electronic forms. Activities listed in a Chapter communication must indicate whether they are open or closed events.

CONTENT

The contents of your Chapter publications should reflect the fact that H.O.G.® motorcycle club is a family-oriented organization. Stay away from editorializing, politics, religion, and other controversial issues. Members, benefits, meetings and activities are always good topics.

Other ideas include:

- **Member of the Month** - Member profile
- **Yesterday & Today** - What happened one or more years ago at the time of publication. Use back issues of *Hog Tales*, *H.O.G.® Magazine*, *Enthusiast*®, your Chapter newsletter or other motorcycling publications as sources.
- **The Adventure Chapter** - stories of members' vacations.
- **Blast from the Past** - Ask the chapter Historian for information from past Chapter events or past officers and members.

GRAPHICS

You can download H.O.G.® logos in the Chapter Officer section of members.hog.com.

DISTRIBUTION

Your communication can be distributed via mail or electronically via email. If distributing via e-mail, be sure to keep your members privacy in mind and use the "blind copy" line instead of the "to" section. If you also post your communication on your Chapter web site, it must be in a password protected area that only your sponsoring dealership, Chapter Manager, and Chapter members have access to. Regardless of the method of delivery, whether electronically or by U.S. Postal service, all Chapter members are entitled to have all Chapter communications delivered to them.

CHAPTER OFFICER NEWS®

The H.O.G.® Office sends *Chapter Officer News*® to sponsoring dealers and primary officers two-to-three times per year.

Chapter Officer News is available to all officers online in the Chapter Officer section of members.hog.com. *Chapter Officer News* is one of the most important ways H.O.G. has to regularly communicate directly to Chapter leaders. And, we depend on you to read and share it with your fellow officers and members. Make good use of *Chapter Officer News*; it's an important link to the H.O.G. Office!

CERTIFICATE OF APPRECIATION

To thank friends of the Chapter who've helped you out, or to recognize local businesses who've assisted your Chapter with events, present them with a personalized copy of the *Certificate of Appreciation*. Simply download the certificate from the Chapter section of members.hog.com, fill in the recipient's name and you've created a thoughtful memento which shows your appreciation.

CHAPTER INTERNET AND SOCIAL MEDIA GUIDELINES

Before uploading images from Chapter events to the Internet or any social media site, be sure to obtain the proper permissions and licenses.

Every H.O.G.® Chapter that publishes photographic material in any format, including print or internet publication, shall be solely responsible for obtaining the proper permissions and licenses. Harley-Davidson shall not be liable for, or offer indemnity for, any H.O.G. Chapter's publication of any photograph or image without the proper permissions or licenses.

Signs should be posted at all H.O.G. Chapter events, informing attendees that "Photographing, filming, recording and videotaping of activities and events will be occurring at this event. By entering the H.O.G.® event area, you irrevocably grant permission to the Harley-Davidson Motor Company and its agents to photograph, film, record and/or videotape you and use (and authorize the use of) your name, image, likeness, voice, and/or biographical or other information in any and all media now known or hereinafter developed in perpetuity for any and all purposes."

SAFE RIDING

Few activities build camaraderie and memories faster than Chapter rides. They are one of the core H.O.G.® Chapter activities. That's why it's so important that they're conducted safely. This section contains tips on planning group rides, standard hand signals and a discussion of formation riding techniques. Directions on obtaining additional safe riding information from such organizations as the Motorcycle Safety Foundation and the American Motorcycling Association are also contained in this section.

LEARNING TO RIDE

RIDER'S EDGE®

Rider's Edge® is the Harley-Davidson® Academy of Motorcycling. Over time, Rider's Edge will offer a wide range of educational opportunities to enhance our current customers' enjoyment of motorcycling and to give new people a taste of what Harley-Davidson has to offer. Rider's Edge currently has two course offerings; the New Rider Course and Group Riding.

The Rider's Edge® New Rider Course - This course is designed to bring non-riders into the world of motorcycling in a way that is convenient, accessible and fun. It provides an entry point into the freedom, adventure, independence and exhilaration that motorcycling represents. By offering the course at Harley-Davidson dealers, we give students the opportunity to develop a support network of riders and motorcycle enthusiasts at the same time they are learning to ride.

The Group Riding Course - Developed in cooperation with the Motorcycle Safety Foundation, the Group Riding Course was specifically designed to help prepare riders for the experience of riding in groups and addresses the special challenges groups of riders face.

MOTORCYCLE SAFETY FOUNDATION (MSF)

The Motorcycle Safety Foundation works with the National Highway Traffic Safety Administration, state governments and other organizations to improve motorcyclist education and operator licensing. Since 1973, more than 1.3 million motorcyclists have graduated from the MSF's beginning or experienced RiderCourses®.

Rider training coupled with government relations and awareness programs aimed at teaching drivers how to share the road, help keep motorcycling a fun and safe sport.

AMERICAN MOTORCYCLIST ASSOCIATION (AMA)

The American Motorcyclist Association is an organization dedicated to promoting motorsports and riders' rights nationwide. Their corporate mission is to "pursue, promote and protect the rights of motorcyclists." The AMA is involved with many different activities, including government legislation, professional racing and the Motorcycle Heritage Museum. As motorcycling enthusiasts, H.O.G.® members may be interested in the information and services the AMA provides. Although individual H.O.G.® members are encouraged to support AMA's legislative activities, H.O.G. Chapters are non-political organizations.

GROUP RIDING TIPS

There are a number of factors that come into play when planning or participating in a group ride. Here are some suggestions for making your rides safe and successful.

PLANNING THE RIDE

It's always a good idea to prepare a map of the route with all the stops indicated. If some bikes become separated from the group, they can "catch up" at the next stop.

- If you're not out for a scenic ride, plan the most direct route to an event or activity. Interstate highways offer the following advantages:
 - All traffic is moving in one direction.
 - No cross-traffic or traffic lights to split up your group, if possible.
- When there are three lanes, it is wise to travel in the middle lane. This allows faster traffic to pass and will also allow vehicles to enter/exit the highway more easily.
- If you're out for a scenic ride, be sure traffic conditions will allow it. For example, is there a county fair or car show in the area that day to complicate the ride?
- Plan stops to avoid gravel lots and left-hand turns. No one likes gravel, and in a group, it's even less fun. Right-hand turns in and out of stops will help the group stay together.
- Plan gas stops at least every 90 miles, so folks with smaller tanks can fill up and stay with the group.
- If you have a large group stopping at a restaurant, call the restaurant far enough in advance to allow them to prepare for a large group.
- If you expect a particularly large group and it's possible to get a police escort or traffic control at the start/end of a ride or along the route, great! Otherwise, it is a good idea to at least inform the police department of your plans and perhaps drop off a map. Never block traffic yourself; it may be against the law!

LEADING THE RIDE

Choose and maintain a comfortable pace within the speed limit.

- Keep in mind that people at the end of the group may have to drive a little faster to keep up if there are gaps in the group.
- It may also may cause a problem to drive too slowly. Drivers in vehicles behind the group may become impatient and try to get around the group.
- Know the route well enough so that you can give the group plenty of notice that you are approaching a turn.
- Always signal your intention to turn or change lanes. If you find yourself at an intersection too quickly for the entire group to make the turn safely, continue until you locate a place where the entire group can execute the turn safely.

SAFE RIDING

GROUP RIDING TIPS *(cont'd)*

PARTICIPATING IN A RIDE

Drinking and driving never mix. This is especially true when participating in a group ride.

- Always ride in staggered formation; it gives you an extra margin for safety.
- Make sure your vehicle is in good operating condition. For example, a bad tire could cause an accident on a group ride.
- Being too hot or too cold can also affect how alert you are as a driver. Be sure to pack appropriate protective clothing, such as a long-sleeve cotton shirt (for protection from the sun), helmet, eye protection, leather jacket, gloves, etc.
- A group of motorcycles is not considered a single vehicle. Be courteous and allow cars to enter and exit the highway and change lanes. Generally speaking, a car will not want to ride in the middle of a group of motorcycles and will get out of the group as quickly as possible.
- Familiarize yourself with the route and scheduled stops.
- Arrive to participate in a group ride with a full tank of gas.

EMERGENCY STOPPING

Ride with a partner. In the event someone needs to pull over for an unscheduled stop, the partner should also stop in case assistance is needed.

- It's unsafe for a large group to stop on the side of the road. If someone needs to pull over, the remainder of the group should continue to the next stop. At that time, the group can decide to wait for the missing members or to send two riders back to assist.
- If the group has a standing policy to wait for a specified period of time, say half an hour, the members left behind will be aware that they can catch up.
- All riders should have a map of the route so they can reach their destination on their own if need be.

SAFE RIDING

HAND SIGNALS

Hand signals should be simple, easy to learn and be kept to a bare minimum.

- Either the rider or passenger can relay the signal. As soon as you see a signal, you should give the same signal so the rider behind you can see it.
- When the phrase "1/3 of the lane" is used, it is referring to riding in the right or left track of the lane.
- These hand signals will not always be used by every group you ride with. The signals assembled here are offered as suggestions only.

"START YOUR ENGINES"

To indicate that you're ready to go, place your hand (right or left) on top of the windshield. If you don't have a windshield, raise your hand. This tells the leader that your engine is running and you're ready to ride.

SLOW DOWN

Use either arm, straight down and palm toward the back. Move your arm back and forth at the elbow.

HAZARD ON THE ROAD

Point with left hand at the object. Sometimes in group riding, the road captain may wave his left arm back and forth above his head to alert the rest of the group. The road captain is the only person who should perform this maneuver.

NEED GAS

When you need gas, point at the gas tank.

NEED FOOD

When you need a food or a break in general, point at your mouth.

TURN SIGNALS

Most bikes have turn signals - use them. Hand signals used in conjunction with turn signals give everyone in the group and other traffic a clear idea of your intentions.

SAFE RIDING

FORMATION RIDING

STAGGERED RIDING

The lead motorcycle should be in the left 1/3 of lane, the second motorcycle should be in the right 1/3 of the lane, one second behind the first rider, and so on.

- Leave enough room between each motorcycle so that any rider can maneuver to the right or left without hitting anyone else.
- Always stay in line with the bike in front of you. Do not switch between the left and right side of the lane.

SINGLE FILE RIDING

All motorcycles ride in a single line, two seconds behind one another, in either the right or left third of the lane. The lead rider determines on which side of the lane the group will ride.

PASSING

Passing should always be undertaken one motorcycle at a time, in staggered formation. Remember, passing at any time can be hazardous. Use common sense.

PASSING OTHER VEHICLES

- **Pre-pass position** - Be far enough behind the vehicle you are passing to see clearly down the road to do an "oncoming traffic check."
- **Signal** - If you have a passenger, he or she should signal as well.
- **Check your mirrors** - Then turn your head to check your blind spot and ensure that no one is passing you.
- **Accelerate and change lanes** - Remember, legally, you can't exceed the speed limit.
- **When returning to your lane** - Signal and make a mirror check and head check to be sure there is space between you and all other vehicles. Return to your lane and turn off your blinker.

SAFE RIDING

FORMATION RIDING *(cont'd)*

AFTER MAKING THE PASS

The lead rider makes the lane change, going to the right track, until he can clearly see that the other riders have made their lane changes.

KEEP THE GROUP TOGETHER

- **Plan** - The leader should look ahead for changes and signal early so "the word gets back" in plenty of time. Start lane changes early to permit everyone to complete the change. Put novice riders or those new to group riding at or near the back unless the riders wish to ride elsewhere.
- **Follow Those Behind** - Let the tailender set the pace. Use your mirrors to keep an eye on the person behind. If a rider falls behind, everyone should slow down a little to stay with the tailender.
- **Know the Route** - Make sure everyone knows the route. Then, if someone is separated they won't have to hurry to keep from getting lost or taking a wrong turn.

SAFE RIDING

TIPS FOR TOURING

Motorcycling is a fun, exciting and practical way to get around. But, like any other activity, it has risks. The reality is that you are exposed and vulnerable; it is up to you to avoid accidents and injury. Risk – and how you treat it – is what safe cycling is all about. To help you reduce and manage risk, use the following tips as a guide:

- Always carry your *H.O.G.® Touring Handbook*.
- When in a tight curve, the rider on the outside of the curve should give room to the rider on the inside. This prevents excessive crowding if the curve is too tight.
- Use the buddy system when riding. If your buddy has trouble and must pull out of the group, pull off the road with him or her and offer any assistance you can.
- Keep a safe distance behind the bike in front of you. Know the stopping distance of your motorcycle.
- Try to maintain a constant speed. Don't "rubber band," or speed up and slow down.
- Be aware of openings as you ride so that you will have some place to maneuver in case of an emergency. Also, be aware of the riders around you, especially the one to your side, and give each other as much room as possible.
- Always try to keep the pack tight without crowding each other. Stay close through intersections and traffic lights so that the group doesn't become separated. Remember that some riders in the group may not know where they are going and could end up "leading" the remainder of the pack with no idea how to reach their destination.
- If there is a vehicle that needs to get onto the freeway, let that vehicle through and close the gap.
- Never ride in someone's blind spot.
- Remember, you're not safe from lightning on your bike.

H.O.G.[®] CHAPTER ALCOHOL GUIDELINES

Safe and responsible motorcycling activity is a major H.O.G.[®] goal. In this regard:

- The consumption and use of alcohol is a serious personal responsibility involving the safety and welfare of family, riding friends and the individual H.O.G.[®] member.
- Alcohol consumption before or during motorcycling activity is not safe responsible behavior.
- National H.O.G. has no direct operational control over Chapter operations. Consumption of alcohol after riding activity or at non-riding events is a matter to be decided by the sponsoring dealership and H.O.G.[®] Chapter leadership. All such decisions are subject to final review and approval by the sponsoring dealership.
- If the sponsoring dealer and Chapter decide that alcohol may be consumed at a Chapter activity, then the recommended approach is either to "Bring Your Own" or to "Buy Your Own" from a vendor licensed and insured to sell alcohol.

WHO'S RESPONSIBLE FOR WHOM?

The other day, I received a call from a Chapter officer who had observed one of the local Chapter members drinking to excess during a stop on a Chapter ride. An awkward situation, to say the least, and a potentially lethal one. His question to me was, "What am I required to do as a Chapter officer?" And, he added, "You should warn us about these things!" He's right, and he brings up a good question.

First, consider an ounce of prevention; don't make bars a stopping place for meetings or rides. Harley[®] dealerships, parks or restaurants are all good options. Always make sure an alternative to beer or booze is available whenever you stop - there are some pretty good non-alcoholic beers out there today!

Second, discuss the issue with your sponsoring dealer, Chapter officers and members before problems occur, at a monthly meeting or prior to the ride. Emphasize that each one of us is responsible for our own behavior, and we also have a responsibility to those with whom we ride. If you think through what you would do if ever confronted with a member who isn't fit to ride, you'll have a better chance of achieving a positive outcome.

Third, as a Chapter officer, set an example. At the Primary Officer Training, a Chapter Director told us his tactic. If they have a member who has partied too hard, several Chapter officers approach the individual, calmly point out the danger the person is posing both to him or herself and to other Chapter members, ask for the keys, and arrange for alternative transportation by taxi or private vehicle. They've reported that this technique works well.

Beyond this, there's not much you can - or should - do. As H.O.G.[®] members and riders, we tend to want to "take care of our own" without involving outside authorities - a philosophy I myself hold to. However, if there's ever a time when, using your best judgment, you feel someone's life could be in danger if they throw a leg over the bike and try to ride, calling the police may be your only alternative.

H.O.G.[®] is about getting together to ride and have fun. Personally, I like to party and I love to ride, so when I'm on my bike I don't party until the scooter is safely bedded down for the night; and judging from the good times I've had, it's a system that seems to work.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, where applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

H.O.G. Insurance Program Checklist

Ensure Your Event is Insured

Is that chapter activity or event you're planning covered by the Chapter General Liability Insurance? If you're not absolutely positive, you'd better read on.

If a chapter event or activity falls within the insurance guidelines, the Chapter General Liability Insurance coverage provides legal defense costs and damage payment coverage to chapter officers, volunteers and sponsoring dealers should a lawsuit be brought against them. This coverage is afforded for claims based on someone getting hurt or having their property damaged during a chapter activity. It's not medical insurance. It's not motorcycle insurance. It's "responsibility" insurance for claims asserting that chapter officers and volunteer workers failed to properly perform their official duties. Be sure to read the document, "Chapter Liability and Event Insurance" in Section E of the Chapter Handbook for additional details.

To determine if your chapter event/activity falls within the guidelines, follow the steps below and you'll get the answers.

Step 1: Identify the Type of Event and Types of Activities

Before you do anything, turn to Section E, Chapter Business, and locate the heading, "Chapter Insurance Program."

Now, ask yourself the following 8 questions and check the appropriate box...

	Yes	No
1. Is the chapter activity/event you're planning advertised as "open to the public" or "all bikes welcome"?	<input type="checkbox"/>	<input type="checkbox"/>
2. Are you expecting more guests than local chapter members at your chapter activity/event?	<input type="checkbox"/>	<input type="checkbox"/>
3. Are you expecting local chapter members, guests, and other National H.O.G. members at your activity/event?	<input type="checkbox"/>	<input type="checkbox"/>
4. Are any games you're doing NOT in Section H (Activities & Events) of the current H.O.G. Guidelines? (For example, a tug-of-war game is not listed, nor is a plank ride.)	<input type="checkbox"/>	<input type="checkbox"/>
5. Is your activity/event NOT on the "Schedule of Pre-Approved Chapter Activities" (Section E, Chapter Business) in the most current chapter handbook?	<input type="checkbox"/>	<input type="checkbox"/>
6. Is another organization planning and conducting part or all of the activity/event?	<input type="checkbox"/>	<input type="checkbox"/>
7. Is your activity/event listed under "Tier II" of the document, "Chapter General Liability Insurance Program" (Section E, Chapter Business) in the most current chapter handbook?	<input type="checkbox"/>	<input type="checkbox"/>
8. Is your activity/event listed under "Exclusions" in the document, "Chapter General Liability Insurance Program" (Section E, Chapter Business) in the most current chapter handbook? (No need to go any further -- our insurance simply won't cover the activity... if an activity is excluded and you still want to do it, you must find and purchase your own insurance. For example, water sports, camping, furnishing liquor and dunk tanks are just a few of the excluded items).	<input type="checkbox"/>	<input type="checkbox"/>

Step 2: Determine Insurance Required

Did you check "NO" for each and every question? If so, you're on your way to a hassle-free, automatically insured event.. See boxes "A" and "B" below. Just follow the release guidelines in Step 4 below and go have fun!

If you checked "YES" for one of the questions... Doing some bike games that aren't Pre-Approved? Crossed the line from conducting events for your local chapter members to promoting events "open" to the public? If you don't apply and get approved for coverage - you won't have it. The chart indicates what you need to do. Locate your particular situation and then read on.

Event Type	Activity	Insurance Coverage	Take Releases From
A. National H.O.G. Members Only - no guests	Pre-approved	Automatic	Everyone
B. Closed - local chapter members with current Membership Enrollment & Release on file and one guest per chapter member (guests do not outnumber local chapter members)	Pre-approved	Automatic	Guests, Minor's Guardian (Minor signs Assumption of Risk if 12 or older)
C. National H.O.G. Members Only - no guests	Not Pre-approved	Send in Application for Non-Approved or Open Activities	Everyone

Event Type	Activity	Insurance Coverage	Take Releases From
D. Closed - local chapter members who've signed annual Membership Enrollment & Release and one guest per local chapter member (guests do not outnumber local chapter members)	Not Pre-approved	Send in Application for Non-Approved or Open Activities	Guests, Minor's Guardian (Minor signs Assumption of Risk if 12 or older)
E. Open - advertised as open to the public, any biker	Pre-approved	Send in Application for Non-Approved or Open Activities	Everyone
F. Open - advertised as open to the public, any biker	Not Pre-approved	Send in Application for Non-Approved or Open Activities	Everyone
G. Any Event	Listed as Exclusion (such as furnishing alcohol)	None Available through Harley-Davidson Insurance	

Step 3: Apply for Insurance Coverage

Go to Section F (or Section K, Blank Forms).

Find the "Application for Non-Approved or Open Activities"

Copy form from handbook.

Read all the instructions

Fill the form out completely and in detail - attach additional pages if necessary (the more detail you can offer, the better. For example: if you're having a picnic, tell us the activities you'll be conducting at the picnic. If you'll be having food at an event, who's supplying it? If you'll be doing games, what games?)

Attach a copy of your event flyer (very important)

Fax the form to Harley-Davidson Insurance - their fax number is on the form

Wait - HDI will be in touch. You'll get one of the following: a) an approval, an invoice (there is an additional charge when putting on open events or non-approved activities) and a certificate of insurance; b) a request for more information; or c) non-approval with an explanation as to why. We ask that you send your request at least 6 weeks prior to your event. If issues arise with the application, you'll need the time to try to resolve them.

Your insurance is in place and you are ready for the final step. Continue reading...

Step 4: Determine Who Must Sign a Release

In order to be covered by the Chapter General Liability Insurance, you must take releases. Adult local chapter members sign the Chapter Membership Enrollment Form & Release each year. They may also have to sign another adult event release depending upon the type of event being conducted. Everyone else, including chapter members who are minors, must have a release signed each time they *participate* in an activity or event. In the case of minors, the minor's guardian signs the Minor Release form, and if the minor is 12 or older, the minor signs the Minor's Assumption of Risk form. When in doubt, take a release. Keep releases on file for seven years.

And, don't forget that Injury Report Form. It's in the handbook, Section E (Chapter Business) or Section J (Blank Forms). If someone should get hurt, it's important that you fill it out, attach the person's signed release form to it and send it in. The instructions are on the form.

Now, go put on your event and have some fun.

Questions? Call the National H.O.G. office. We'll do our best to help. One more tip... the best time to consider insurance is the moment you decide to do an event. Save yourself some heartburn and don't leave it until the last minute. It may seem like a hassle, but after all, it's you and your fellow officers you're trying to protect. And...you are all worth the effort.
